We understand that 2 people running for Selectman refused to be interviewed by RTOH representatives. They wanted RTOH to supply the questions in advance of the meeting. RTOH said no, as other people that were running that had already been interview without having the benefit of knowing the questions. RTOH got the distinct impression that these 2 people felt that they were above the Frey !! The Interviews ran 60 to 90 minutes and were packed with substance. Drill downs and specifics that you will not see at PTA or moderator type discussions about to be held! When RTOH met to decide on the candidates to recommend a field of 3 was at hand not 5! RTOH decided on experienced people who we felt could best represent the taxpayer on the issues of today! Status Quo was unacceptable!
